Revs[®]

INSTITUTE

Preserving the future
of our automotive past

2024
AUTOMOTIVE
MUSEUM OF
THE YEAR

Revs Institute is a not-for-profit 501(c)(3) organization

About Revs

Revs Institute is dedicated to the study and preservation of historically significant automobiles.

Visitors to its museum in Naples, Florida, will discover an 80,000-square-foot working facility that maintains over 120 important cars, including those of the world-renowned Miles Collier Collections.

The Archives and Research Center at Revs Institute, located in Fort Myers, Florida, is a leading repository of automotive artifacts, publications, and ephemera.

Through online content, digital exhibitions, and innovative in-person programs like RevsEd, Revs engages with the meaningful car community locally and worldwide.

More at Revs

Research and Education

We support scholarly and instructional work, both within our Southwest Florida community and the wider world. Our mission honors deep appreciation of automotive history through archival work and the preservation of automobiles.

RevsEd

RevsEd is a hands-on automotive arts experience. Learn, experience, and discover the fascinating world of automotive knowledge! Class space is limited.

Store

Shop in person or online to find perfect gifts for car lovers.

www.revsinstitute.org

Volunteer

Volunteers serve as educators, storytellers, and stewards of some of the rarest and most important automobiles ever built.

If you enjoy historic vehicles and would like to work with other people who share your love for cars, please complete the online application at revsinstitute.org.
